

WAIVER AND DECLARATION OF HONOR

The undersigned _____, I declare upon my own honor, that I am in physical and mental conditions to overcome the **Ultra Coahuila** race in its 2022 edition, and that I am sufficiently trained for this competition, so that my physical condition has been endorsed by a personal and trusted Doctor. I promise to withdraw from the race, and notify judges or organizers in case I feel physically or mentally unfit to continue in the competition, otherwise I take full responsibility for the consequences that this omission could cause me. I perfectly understand that it is not the role of the Organization to look out for me during the course of the race, so I find myself able to overcome any eventuality that occurs during the event.

In the event that I am prohibited from continuing in the competition for not arriving on time at a checkpoint, and should I ignore such situation and continue in the race, I am responsible for what happens to me and I hold the **Organizing Board** free from any liability in case of an accident or eventuality, aware that there will be no supply posts or any other help from the Organization.

On the other hand, I **waive** any claim against the organizers and **PATRONATO Ultra Coahuila, A.C.**, for any reason such as loss in the mountains, for physical consequences of nature in its modality of flora and fauna, for injury, illness or death occurred during the event.

Arteaga, Coahuila, on the 24th day of June of the year 2022.
